LEADERSHIP + WORK EXPERIENCE

ArchHacks, Co-Director

St. Louis, MO

March 2017 - Present

- Co-Leading a team of 25 students to run WashU's premier hackathon for 350+ programmers from all over North America
- Working with WashU administration, dozens of corporate sponsors, and thousands of applicants

Washington University, Intro to Parallel Programming TA

St. Louis, MO

Jan 2017 - May 2017

- Attended every class to assist students with coursework
- Offered suggestions to the professor to improve the class
- Held office hours to explain difficult concepts

Camp Interlaken JCC, Overnight Cabin Counselor

Eagle River, WI

Summers 2015 + 2016

- Worked 14 hour days, 7 days a week
- Helped facilitate the ropes course and ensured campers' safety
- Planned fun, engaging programs for campers of all ages
- Learned to work in diverse teams of staff

PROJECTS

Get Motivated Today! Large Personal Project

Sep - Oct, 2016

- Designed and built a website that uses the Reddit API to fetch the current to post from the Get Motivated community on Reddit and display it beautifully
- Written in HTML, CSS, and JavaScript
- Link: noahluddy.github.io/get-motivated

Hackathon Projects, Small + Medium sized Team Projects

Oct 2016 - Mar 2017

- **Rate Your Wait:** A web app that collects data on Metrolink train and bus wait times. *Won second place overall*
- **Lime:** Embedded a Photon device into a circular container and used it as a golf ball to keep track of a player's score. *Won most innovative and most technically challenging*

SKILLS

Programming (Proficient): Java, Python
